

HIS EMINENCE CHÖJE AYANG RINPOCHE

**Returns to bestow
THE XXIII ANNUAL PHOWA
RETREAT IN BODHGAYA
JANUARY 17 TO 26, 2017**

“If you study Phowa, then at the time when death is approaching, you will know no despair (but) will be full of cheerful confidence.”

(Marpa The Translator)

“Phowa is extremely helpful for the dying person and like a traveler being put on the right path by a friend, has the power to prevent rebirth in the lower realms.”

(Patrul Rinpoche, *Words of my Perfect Teacher*)

The Drikung Charitable Society and Amitabha Foundation is dedicated to help anyone who wishes to learn about the one inevitable event of every sentient being – **DEATH** . On the surface it may seem to be a morbid subject that people may not want to deal with. Some may not even want to think about it. But according to H. E. Ayang Rinpoche’s comment, “If one knows how to die, then one will truly know how to live this life to the fullest without wasting any time on frivolous activities.”

H. E. Ayang Rinpoche is a worldwide renowned Master of Phowa (transference of consciousness at the time of death), who is specialized and dedicated to clarifying the precious Phowa teachings used to attain enlightenment at the moment of death.
