HIS EMINENCE AYANG RINPOCHE TO TEACH IN SYDNEY

DATES: 19th–25th November 2019

VENUE: The Amitabha Centre,
79 Edgeworth David Ave Waitara, Sydney

Amitabha Foundation Australia is delighted to announce that our Spiritual Director, His Eminence Ayang Rinpoche will visit Sydney this year. He will bestow empowerment and teachings for the Vajrasattva Higher Level practices, and for Achi Chokyi Drolma at his Centre at Waitara in Sydney.

VAJRASATTVA OUTER, INNER, SECRET AND INNERMOST SECRET TEACHING

Rinpoche describes this practice as “a complete path to enlightenment”. It is extraordinarily rich, beautiful and powerful, and rarely offered in public to lay people. It contains very effective methods to purify our negative karma, heal ourselves and others, and enter into the clear light state. Rinpoche says that all 100 peaceful and wrathful deities in the Tibetan Book of the Dead are included in this Vajrasattva practice.

The empowerment and teachings take 5 days.

After the course we will offer review and practice sessions so students can become confident in doing the practice.

ACHI CHOKYI DROLMA EMPOWERMENT AND TEACHING

A form of Tara, Achi Chokyi Drolma is the female Buddha who is the main Protector of the Drikung Kagyu lineage. She dispels obstacles for sincere practitioners.
